CAMP

A camp site overlooking Smiths Beach. A short walk and you are on the sand, surfing, body boarding, swimming, rock pooling, building sandcastles...This camp was a

Level 4 child's dream come true.

The students reaped the rewards of learning to behave in a responsible and cooperative manner as they were offered activities and opportunities that could only be undertaken by students who could be trusted to be sensible, reliable and caring of each other's well-being. Be proud Mum and Dad! This wonderful experience is only available because of the good will of staff who leave their own lives on hold to supervise and care for your children 24 hours a day. Thank you very much **Clare Carmichael, Jenny Verheijden, Margaret Taylor, Craig Irvine, Helen Reed and Dianne Cayley**. A huge thank you to our fabulous fathers: **Mark Savage, John Hayes and Paul Orchard**. They worked very hard to support this opportunity for everyone's children. Great things happen to great communities!

FRONT ENTRANCE

Started.....so exciting!!!!!!

MR BREWER

We said farewell to Alan Brewer on the last day of term. He was delighted with the assembly and the gifts. He sent a letter to the school community to thank you for the support he was given and he was touched by how many parents attended.

Principal**

Chaplain's Chat

I hope that you had a wonderful Easter, and that you enjoyed the school holidays. The weather was fantastic, which made it possible to get out and do things. I had plenty of variety over the break - a few days at Apollo Bay with my sister, Easter at home and then four days at Cape Schanck with my husband and daughter. I even managed to tidy up the study at home, which was well overdue! Have a great term!
