WELL DONE MULLUM!!

Our “Mullum to Marysville” road is certainly paved with gold. The wonderful Mullum Community has raised **\$3623.95** for the victims of the bushfires - an inspiring effort. On top of that we raised **\$450.00** for Toolangi Primary School by selling chocolates at our Information Night.

Thank you all

SCHOOL COUNCIL ELECTIONS

As there were a matching number of nominations as available places – no election was necessary.

CONGRATULATIONS TO OUR NEW COUNCIL MEMBERS

PARENT CATEGORY

DEECD CATEGORY

Jenny Verheijden Sharon Moloney

We welcome our new members and look forward to working with them.

We also wish to thank the retiring Council members; **Brenda Rayner, Andrea Salmon** and **Alan Brewer**. They have made significant contributions to the school and therefore to the education and welfare of all of our students. Brenda has been a power house of energy and innovation on the Buildings and Grounds committee for which she was coordinator and on the Public Relations committee. Andrea has been working hard on the OSHC committee, liaising between OSHC and Council. Alan has been on Council for approximately 20 years and has done just about everything. We particularly thank him for his guidance of the Education Committee. *We are very grateful for the time and care you have all given to the school.*

**PARENT / TEACHER
INTERVIEWS and INFORMATION
NIGHT**

What a crowd!!! It was sensational to have so many parents attend. The teachers presented some very interesting programs - often showing off the Interactive Whiteboards.

The Interviews have also been very well attended and valuable information gathered to help with your child's education. WELL DONE PARENTS!!!!

I offer on your behalf and mine, a huge thank-you to the **teachers** who put in very long days to make these opportunities available.

LUNCH TIME DRAMA CLUB

This is offered again this year but you need to re-enrol. Please collect a form from the office if you are interested.

FRONT ENTRANCE

Yes we are still getting one. The plans have been on a bit of a journey with a rather long stop at Maroondah Council.

The short version is that it will be started soon which will mean that once the protective fencing goes up we will not be able to use the front entrance.

MORE BUILDING WORKS

ROOFING GRANT

There is a lot of activity at the moment with two firms involved. One is completing the roof repairs and the other is fixing the rotten roof windows.

TANK AND SOLAR

Part 2 of the application has been completed and accepted but we're still awaiting the 'go-ahead'. Soon we hope.

**CONGRATULATIONS TO OUR
