<b>School Council</b>	<b>Thursday</b>	<b>June 25<sup>th</sup></b>	<b>7:30pm</b>

*Principal's Report:***EDUCATION WEEK****Gramps', Grans' & Special Visitors Day**

This new event was very successful. We had approx. 300 visitors walking around with some very excited children. The day was sunny, the school looked, as it is, a bright, inviting, exciting learning facility. The mini-concert was wonderful – thank you Amanda Jeeves. Julie Denman and Lou Brooks baked 300 scones between them and the Parents Association helped with tea and coffee. I have had a lot of positive feedback from parents, visitors, staff and children.

**Open Night**

Our community has shown again how supportive they are of their students and the school. Even though many of them visited the school on the Tuesday they came

to support the children's endeavours at Open Night. The classrooms were buzzing with conversation, the choir performed beautifully in the hall and our buskers did a great job around the school.

Thank you to Amanda Jeeves, Deanne Lawn, Sue McCausland and all of our instrumental teachers.

### **Art Displays**

Deanne Lawn organised for us to have a display at Eastland and at Knox City. Thank you very much to Dana Arazny for putting up the display at Knox City. Did you see it? It was stunning – excellent work Deanne and Mullumites.

### **Puppet Show**

It was great to have the pre-school children join Levels 1 & 2 for a very funny puppet show. ...*"he's behind you!!!"*

*Thank you to all the staff for providing such enjoyable opportunities for the school to join and share with the community.*

### **SCHOOL CONCERT**

The School Concert is on Monday June 15<sup>th</sup>. It will be held at Yarra Valley again and will be, without doubt, as sensational as always.

Ticket sales will be out soon – first in best dressed!!!!

**There is a PUPIL FREE DAY on the Friday before the concert so you'll need to get your money in before then.**

### **FRONT ENTRANCE**

**Thank you** to the fantastic **Infanti** family who had a sleepover in the staffroom to ensure that the new concrete wasn't vandalised before it dried.

The paving looks amazing. Have a look, we're nearly there.

### **GOVERNMENT GRANT MONEY**

All schools are receiving a grant for new buildings and refurbishment.

We received \$2,725,000. Mullum will be even more beautiful and educationally enticing.

### **HOT DOG DAY**

Always a favourite.

Thanks to the Parent Association for the seamless organisation and time and effort that makes this day so successful!

### **GLOBAL GATHERING**

This year 8 of our children have been invited to go to the Global Gathering. This is a festival of events to celebrate cultural diversity – it should be a magnificent experience for the lucky 8.

*Lynne Holland - Principal*

### *Chaplain's Chat*

Last Friday I attended a very interesting professional development day. The topic was 'When Bad Things Happen: Building Resilience and Aiding the Vulnerable'. Each of the presenters work with the Royal Children's Hospital Adolescent Health Services and they shared their wealth of experience with us.

Most of the sessions highlighted the importance of resilience. Resilience was defined as 'the capacity of individuals to overcome personal vulnerabilities and environmental adversities effectively, or the ability to thrive physically and psychosocially despite adverse circumstances'. Being resilient means that we cope better with whatever life throws at us! The good news is that even people who aren't naturally resilient can learn skills to help them!
