POLICY

1. School profile

Mullum Primary School was established in 1963 and is located approximately 20 kilometres east of Melbourne. We have 240 students enrolled in Foundation to Grade 6 and 34 staff including Education Support.

Well maintained school grounds provide a wide range of play options for students including sand and water play, cubby building, sporting activities like basketball and soccer. Most students that attend our school live locally, some walk or ride their bikes to school. Mullum Primary School has developed close ties to the local community and enjoys support from our local shops and community services.

Our school is culturally diverse with 40% of families having a language background other than English (LOTE), with the largest LOTE groups being Chinese (Mandarin), Persian and Burmese. The school also has several students from the Koorie community. We are proud of our diversity and inclusive nature of our school community.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

2. School values, philosophy and vision

Mullum Primary School's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and demonstrate our core values of respect, integrity and kindness at every opportunity.
