Consent Form – Connecting your Working with Children Clearance to our school

This form explains why Mullum Primary School needs to collect information about you and your Working with Children (WWC) Clearance and how your information will be used.

Why is your information being collected?

All schools in Victoria must ensure that people are safe to work with students. This includes sighting, verifying and recording a person's Working with Children's clearance in certain circumstances. Further information can be found at:

- Working with Children Checks and other Suitability Checks for School Volunteers and Visitors Policy at https://www2.education.vic.gov.au/pal/suitability-checks/policy
- Ministerial Order 1359 – Implementing the Child Safe Standards – managing the risk of child abuse in schools and school boarding premises at https://content.sdp.education.vic.gov.au/media/ministerial-order-1359-975

When assessing child safety risks, schools may put in place screening requirements for staff, volunteers and visitors that exceed the requirements of the Worker Screening Act 2020 (Vic).

Validating your Working with Children Clearance

Mullum Primary School will be collecting your name, Working with Children Clearance number, address or email address and phone number. Your Working with Children Clearance number and expiry date will be entered into the Working with Children Check Status Tool on the Service Victoria website at: https://www.service.vic.gov.au/services/working-with-children-check-status-checker/home to check that it is valid when you arrive at the school.
